

MINISTRY DASHBOARD

Special Prerelease Announcement

Estimated Release Date: October 3, 2009
Modules Impacted: Logosconnect.com

We are pleased to announce a new update to our Member Connection site. This update improves on the user interface, making it easier to navigate and to manage data as it relates to your record. Depending on your churches design, the site may appear a little different in graphics and color, but the navigation will remain the same.

LOGOSCONNECT.COM:

The screenshot shows a web interface for a church. At the top left is a photo of a waterfall. The header includes the church name 'Demo - My Sample Church' with the tagline 'People helping people' and a welcome message. The main content area is divided into three sections: a login form on the left, a bulletin board in the middle, and a calendar on the right. The login form has fields for email and password, a 'Login' button, and contact information for the church. The bulletin board lists various church activities. The calendar shows the month of September 2009 with a focus on the 30th. Below the calendar are links for 'Full Screen Calendar', 'Volunteer Needs Available', and 'Online Gifts and Donations'. At the bottom left, there is a 'Submit a Registration' button and a footer note 'Powered by Logos Management Software, Inc.'.
